

Ardmore Shipping to Host Investor and Analyst Event on May 25, 2016

HAMILTON, Bermuda, May 11, 2016 /[PRNewswire](#)/ -- Ardmore Shipping Corporation (NYSE: ASC) ("Ardmore" or the "Company") today announced that it will host an investor and analyst meeting on Wednesday, May 25 at 12:00 P.M. Eastern Time in New York City.

At the event, entitled "The Future of Global Refined Product Demand and Its Impact on Product Tankers," Ardmore management will provide an update on the Company, its chartering and growth strategies, and the outlook for its fleet of modern, fuel-efficient product and chemical tankers.

Additionally, Al Troner, President of Asia Pacific Energy Consulting and a contributor to Rice University's Baker Institute Center For Energy Studies, will provide commentary on the fundamentals underlying the expansion of Asian refined product markets.

A live webcast of the presentation and slides will be available to the public on the Investor Relations section of Ardmore's website at www.ardmoreshipping.com. Please allow extra time prior to the presentation to visit the site and download the necessary software required to listen to the internet broadcast. The webcast will also be archived on the Company's website.

About Ardmore Shipping Corporation:

Ardmore owns and operates a fleet of mid-size product and chemical tankers ranging from 17,500 to 50,300 deadweight tonnes. The Company provides seaborne transportation of petroleum products and chemicals worldwide to oil majors, national oil companies, oil and chemical traders, and chemical companies, with its modern, fuel-efficient fleet of tankers.

Ardmore's core strategy is to develop a modern, high-quality fleet of product and chemical tankers, build key long-term commercial relationships, maintain its cost advantage in assets, operations and overhead, while creating significant synergies and economies of scale as the Company grows. Ardmore provides its services to customers through voyage charters, commercial pools and time charters and enjoys close working relationships with key commercial and technical management partners. Ardmore views the continued development of these relationships as crucial to its long-term success.
