About Ardmore Shipping Corporation

Ardmore owns and operates a fleet of mid-size product and chemical tankers ranging from 17,500 to 50,300 deadweight tonnes. The Company provides seaborne transportation of petroleum products and chemicals worldwide to oil majors, national oil companies, oil and chemical traders, and chemical companies, with its modern, fuel-efficient fleet of tankers.

Ardmore's core strategy is to develop a modern, high-quality fleet of product and chemical tankers, build key long-term commercial relationships, maintain its cost advantage in assets, operations and overhead, while creating significant synergies and economies of scale as the Company grows. Ardmore provides its services to customers through voyage charters, commercial pools and time charters and enjoys close working relationships with key commercial and technical management partners. Ardmore views the continued development of these relationships as crucial to its long-term success.
